

# CHISPA NUGGET

June 2021

**WEDNESDAY JUNE 2ND 6:00PM  
FACE MASKS ARE REQUIRED FOR ENTRY**

Finally some good news, now that we are in the Orange tier. We are going to have a member dinner on the first Wednesday in June. We have a lot of details to work out but we believe we can start a more normal parlor next month. Since we are now in the orange tier we can probably accept all calls for reservations. Call 728-8902. Please call and give the number in your party as soon as you get this newsletter. I am going to send an e-mail to the members who have an e-mail to let them know to make reservation starting as soon as they get the e-mail so we can order the proper amount for the dinner.

One of the things that will be happening at the member dinner is we will be receiving our check from the Boc'ce fund raiser. As I said in the last months Nugget, the bocce fund raiser was a huge success. Glenn Berry will be presented the check for \$1,600 some time before the meal by Steve Gonzales.

Please read the article about our social in June. Glenn Berry was going to call people to get volunteers to assist with the cooking for the member dinner. I am going to help so if you also want to volunteer to help please call 728-8902 to volunteer to help.

I believe that we are going to have our regular steak dinner and whatever else the cooks come up with. I bet we have a salad and with the new opening we will be serving the meals. The bar will be open also so you can line up, social distancing, while waiting for your drink. Welcome back everyone and I hope that by now all of you smart brothers have received your vaccinations. See you on June 2nd.

**PANCAKE BREAKFAST  
SUNDAY JUNE 20TH 7:30 - 11:30**

At time of publication we are in the Orange tier but according to what is being said now by the time of this pancake breakfast we will have no restrictions. I keep mentioning the increasing cost of our breakfasts and that we raised our price to \$8. Of course this is still the best price you will find anywhere for this wonderful breakfast. All you can eat pancakes, eggs, sausage and biscuits and gravy accompanied by coffee and orange juice.

Here are the names of some of the guys that helped at the May pancake breakfast. The helpers at the breakfast: Ron Rivera, Mike Cilenti, Louie Clark, Rocky Chick, Bowen

Chick, Bruce Ross, Glenn Berry, and Dan Holley. If your name is not on the list and you wish to volunteer please let me know. We had a nice turnout for the May breakfast and we served 74 breakfasts.

**If you want to volunteer please e-mail me at ronaldwr8@aol.com or call and leave a message at 209-743-1701.** Since we probably won't be under any COVID restrictions we will be setting up our tables the way we used to.

With the change to the new tier I believe we can have the syrup, salt, pepper, and butter on the tables. We will of course wipe down all these items after each table is cleared.

**I am reminding all guest to wear masks when you enter and you may remove them when you are seated. We may even have some tables set up for those who have been totally vaccinated so some of you can join friends.** If you do leave the table to use the restroom we ask that you put your mask back on until you return to your table. At our April breakfast we only served about 42 guests which is a very small crowd. I didn't get the names of the helpers but I want to thank all of those who showed up and helped.

**FRIDAY JUNE 18TH SOCIAL  
MEAL NOT DECIDED**

We were hoping to have chicken in a barrel but our barrel chef has plans for that date so the meal hasn't been decided on. I am sure that we will decide what to serve at the meeting after our member dinner in June. I am not sure how we can inform you but I will be sending out an e-mail to those who have e-mails letting everyone know what is scheduled.

Whatever is decided I can assure you that you will not be disappointed. I am hoping that we get a good turnout for this meal. Remember you get a complete meal with desert for our very reasonable price of \$15. We are planning to have the bar open so you may have your favorite libation.

The doors for the social will open at 6:00 PM with dinner served about 7:00 PM. We can always use help with the set up for this so why don't you show up at 4:00 PM and lend a hand getting the tables prepared. After the dinner we will be

having our raffle so the more people we have the bigger the prizes. Let's all put June 18th on our calendars and take the time to attend.

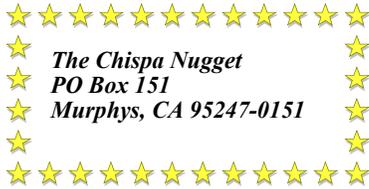

**OFFICERS AND HELPERS NEEDED FOR  
CHISPA139 PARLOR -REPEAT INFO**

We continue to ask for some of you brothers to step up and be a part of the parlor by taking positions that are open. The most important need is for a recording secretary which is a requirement for the parlor. The duties were handled by Bob Loeffler for many, many years but when he retired 2 years ago Kevin Von Aspern took over. With Kevin's passing we need someone to take over this officers position. It typically only requires about 4 to 5 hours a month except at renewal time.

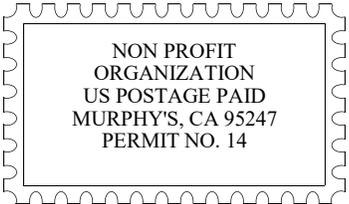

Another position that requires a replacement is bar tender. As you know our last bartender, Hal Robinson, has moved so this is another important job that needs a replacement. Bruce Ross is working with Dan Holly who has volunteered to handle this position, When we have our member dinner we will have a meeting after as we always do when we have this dinner. We are going to elect the officers for the coming year so it is important that you stay after the dinner to attend the meeting downstairs. Glenn Berry our current president stayed on as president for this year since we didn't have an election meeting last year. We have other offices on the board that have been vacant for some time so we would like to fill those positions also.

I realize that many of you only attend the member dinners and the socials but with the current reduction in membership we need more of you to stand up and take over some of these jobs. Many of you donated money to help keep the parlor running but we also need more members to become more active. I have been writing this newsletter for 16 years I would like to have someone offer to take over or at least help putting it together.

ROSTER INFORMATION OUT OF DATE  
 VERIFY PHONE NUMBER AND E-MAIL ADDRESS

In the May Nugget I said I was going to ask for your e-mail address to make sure we have the most up to date information. I would like you to e-mail me your e-mail address if it doesn't match the e-mail that is in this note. On an ongoing basis in the future I want all of you to keep this current so whenever you may change it please send me the latest e-mail. Below is your current roster e-mail address:

I am also asking for your current phone number and cell number if you have one so we can contact you if something comes up that requires a quick contact call. I realized this was important when we tried to call Glenn Plowman about the chicken in a barrel. We had 2 old numbers for him so we had trouble contacting him. Below is the phone numbers information from the roster. Please verify by either calling me or e-mailing me the latest information. Phone:

Call me at **209-743-1701** or e-mail me at **ronaldwvr8@aol.com**. It is important that we keep all information current. Of course if the information is correct there is no need to contact me. Thanks for verifying this information.

FUTURE NUGGET WEBSITE ONLY

I know that many of you don't ever go to the parlor's website but some time in the future we will stop printing. Those want to keep getting the information about the parlor's activities will be able to use the website that was developed and is updated by Bowen Chick. I know that I have put the website information in the newsletter but here it is again. **www.chispa139.org**

We currently have a special postage rate because we are a non-profit. The cost to mail is \$.19 per newsletter. We currently print about 215 newsletters each month which includes current members, widows, and other parlors. Grand Parlor has been sending their newsletter by e-mail for some time.

Bowen Chick is currently working on the website so it may not be available now. When it is available and we have collected all the necessary e-mails we will cease mailing the Nugget. I will then begin sending the Nugget to all who have e-mails a copy of the Nugget in PDF format which is readable on both PCs and Apple computers. Those who don't have e-mails will be able to log in to the website and review the latest Nugget on line.

2021 MEMBERSHIP DUES

We still have a lot of members who haven't renewed. The dues are \$60 so send your check to the PO box printed at the top of this page. We ended last year with 163 members and as of this printing we only have about 130 who have renewed. Because of the pandemic we have extended the time to pay for 2021 dues.
